

COOLIDGE TALK PRAISES WORK OF RED CROSS

President Pleads For World Without High Cost Of War

WASHINGTON, Oct. 6. (AP)—With President Coolidge as its presiding officer, the fourth annual Red Cross convention opened today, attended by hundreds of chapter delegates from all parts of the country. As honorary president of the Red Cross, Mr. Coolidge was the first speaker, and in his address commended the organization and its work. Among the other speakers was Brigadier General Frank T. Hines, director of the Veterans' Bureau, who explained what steps have been, or are taken to promote the welfare of America's veterans.

Many of the recommendations passed at previous Red Cross conventions for the benefit of veterans, he said, had been put into effect either by congressional legislation or by the veterans' bureau itself. He quoted as instances the hospitalization and the decentralization programs of the bureau. At present, he declared, 25,000 rehabilitated soldiers, in better positions and earning better salaries than before the war.

Director Hines said up to 1921 war veterans had been housed in ordinary existing hospitals, but since then \$40,000,000 had been spent for the construction of suitable hospitals with the result that at present 25 of these are completed with an accommodation of 10,000 beds. Other hospitals are still under construction capable of housing 1,500 more patients.

Thanking the American Red Cross for its accomplishments in practical charity and patriotic character, President Coolidge pleaded for a civilized world where the cost of armament, of pensions, of fortifications, were not required to be born.

"Where resources could be used," the president said, "to promote such a world which might works could be accomplished under the leadership of the Red Cross spirit of generosity, self-sacrifice and all uncharacteristic might be completely realized and remedied."

Toward such an ideal, Mr. Coolidge declared, the race is making progress.

In the Red Cross, the president said, the nation has its opportunity to capitalize and direct the finest, the most appealing attribute of our human nature—charity. It is a strong support, he said, of the government and a reliable guarantee of the progress of civilization, showing the way to a more complete realization of truth and justice through mercy.

Emphasizing its "practical idealism," Mr. Coolidge recalled the accomplishments of the Red Cross in relieving the distress resulting a year ago from the earthquake in Japan.

"The Red Cross," he continued, "had the organization capable of turning this great overflowing of the sympathy of the nation to the best account. It insured a maximum of relief at the minimum of outlay. The gratitude of a recreation, disclosed in manifold form more than repaid the splendid response of our people directed through this organization. Philosophers and historians may record this as marking a new era in the relationship between nations."

Describing the Red Cross as the only organization he knew which accomplished any good by "looking for trouble," the president declared it had a definite comprehensive, and practical progress for helping those who need help when they need and where they need it.

"It knows," he said, "no creed, no party, no politics, no classes or groups. It is proof that materialism is not the dominant motive of the people of the United States. The Red Cross idea will develop as mankind develops. The ideals underlying civilization are the ideals of brotherly love of tolerance, of kindness, of charity. The beauty of life lies in meeting whatever destiny awaits us, trusting one another, helping one another."

Mr. Coolidge welcomed the convention as the meeting of the organization "able to translate into results our deep regard for the interests of humanity."

SHENANDOAH TO START WESTERN TRIP TODAY

LAKEHURST, N. J., Oct. 6. (AP)—Plans were being completed tonight to take the great navy dirigible Shenandoah from her berth in the hangar to the mooring mast just outside prompt at sunrise tomorrow morning when the pride of the air service will be headed westward on a journey which will be extended as far south as Fort Worth, Texas, and as far to the west as the Pacific Ocean.

GOVERNMENT WILL REACH CLIMAX OF CRONKHITE TRIAL

Defense Will Attempt To Discredit Confession Of Slayer

TACOMA, Wash., Oct. 6. (AP)—The federal government which is trying to prove in United States district court here that Roland Potthier murdered Major Alexander Cronkhite on the Camp Lewis military reservation in 1919 is expected to reach the climax of its case this week.

Major General Adbert Cronkhite, father of the slain officer, will be one of the government witnesses during the week.

During the first week of the trial the government has attempted to show that Major Cronkhite was killed by a bullet from a revolver fired by another person, that Potthier borrowed a revolver and ammunition on the day of the major's death that Potthier first confessed he accidentally killed the major and later confessed that he murdered him at the instigation of Robert Rosenbluth, and that Potthier made his confessions freely and without duress.

The defense has indicated by its cross-examinations that it will seek to prove that Potthier made his confessions as a result of the suggestions of persons of superhumanity and that Potthier is a type that could readily be influenced through suggestion.

The trial will be resumed tomorrow.

PETITION TO OUST NEGRO OFFICER AS OF FOREIGN BLOOD

Ouster Suit Contends African Is Not Citizen Of America

NEW ORLEANS, La., Oct. 6. (AP)—A suit was filed in federal district court here today to remove Walter L. Cohen, negro, comptroller of customs of New Orleans from that office on the ground that he is of African blood, and descent and therefore not a citizen of the United States. The petition in the suit filed by H. Edwin Bolte, who said he was an attorney of Washington, D. C., attacked the validity of the 14th amendment of the federal constitution, alleging that it was never legally adopted not having been proposed by two thirds of each house of congress nor ratified by two thirds of the states.

COOLIDGE AIDS IN HARDING MEMORIAL

WASHINGTON, Oct. 6. (AP)—President Coolidge had a busy program today, delivering an address before the opening meeting of the American Red Cross in the morning, attending a session of the President Harding Memorial association in the afternoon and receiving members of the supreme court who opened their fall session today.

Several visitors also were received during the day by the president, including Representative Boag of Ohio and Joseph S. Freilichsen, former senator from New Jersey, who brought encouraging reports on the political situation in their states. Mr. Coolidge presided over both the Red Cross and Harding Memorial association meetings. Plans were outlined for the Harding Memorial association in Marion, Ohio, probably next spring of the memorial to the late president.

Speaking before the Red Cross, the president lauded the organization for its accomplishments in relieving distress and directing the "finest, the most appealing attribute of human nature—charity."

Referring to its work in war times, he pleaded for "truly civilized world, where the costs of armaments, of pensions, of fortifications were not required to be borne."

INFANT MEETS WITH ACCIDENTAL DEATH

Iva Dell McCarty, infant daughter of Mr. and Mrs. Jesse McCarty, 302 South Main street was found dead in bed at an early hour Sunday morning by her mother. Her death was caused by accidental strangulation caused by an attack of colic.

An inquest was held yesterday morning at the funeral parlors of Arthur G. Cody, where the remains of the infant were taken. The jury included C. O. Bayha, Frank Goveia, Fred Main, J. W. Jackson, Walter Smith and Wallace Gibbs.

A brief service will take place this morning at 10 o'clock, with interment in Diamond Grove cemetery.

CARLYLE NEGRO CONFESSES HE BROKE SWITCH

Sawed Lock With a Hack Saw, Causing Death Of Engineer

CARLYLE, Ill., Oct. 6. (AP)—Details of the written confession made tonight by George Williams, negro, who admitted that he caused the wreck of the fast Baltimore and Ohio train at Aviston, Illinois, last Friday night, indicated that he was connected with several other railroad accidents. It was announced late tonight by Sheriff William Ragan and railroad detectives who questioned Williams and obtained the confession.

In relating the details of the Aviston, Ill., wreck, Williams described in his confession how he sawed the switch lock with a hack saw and waited to hear the crash while he sat on a road within half a mile of the wreck which caused the death of Engineer Carl Van-Allen of Washington, Ind., and the injury of a score of persons, including the fireman.

In tracing his movements since last July when he left his home at Macon, Ga., the negro said he stopped at Kokomo, Ind., where he sawed the lock on a switch near Mackay, Ind., on the Cleveland line.

In September, the negro said in his confession, he hitchhiked from a freight train near Veedersburg, where he met a railroad section gang.

Here he obtained the spike puller with which he pulled a number of spikes from the ties. From Veedersburg he travelled to Terre Haute, Ind., thence to Champaign, Ill., to return to the southern part of the state.

In answering the repeated question why he had caused the Aviston wreck, Williams answered he could give no reason. He has been in jail here since Sunday when he was arrested in the vicinity of Scott, south of Belleville, Ill.

SUPREME COURT IS NOW ON FALL TERM

WASHINGTON, Oct. 6. (AP)—The supreme court today began its regular fall term determined to make every possible effort to reduce the number of cases upon its rapidly growing docket.

While no opinions were delivered today the court was able to reduce the number of cases on the docket by promptly granting a number of motions and stipulations to dismiss which had accumulated during the recess. Some of the cases thus disposed of presented issues which had been considered likely to consider protracted litigation.

ABSENT VOTERS URGED TO APPLY FOR BALLOTS

Attention was called yesterday by County Clerk George L. Riggs to the fact that the time has arrived for applications for absent voter's ballots by any citizen of the county who will be away from home on November 4. The law points out that the application shall be made not more than thirty days and not less than five days before election. Yesterday was the first day on which application for the ballot could be made.

Persons who will be out of the county on election day are urged to apply for ballots. In recent years the number of persons voting by the absent voter's ballots has been on the increase and a number of applications have been made by Mr. Riggs already.

Masons Join Order With Catholic Men

Utica, N. Y., Oct. 6. (AP)—

With a view to fostering patriotic ideals and "a spirit of toleration in economics, politics and religion," fifty Protestants, nearly all members of the Masonic order, and a like number of Catholics, the majority affiliated with the Knights of Columbus, met tonight for formal organization of the Hamilton-Jefferson association announced as a "non-sectarian and non-partisan" group.

Gathered at a dinner here, the charter members of the association, all leading business men of Utica, heard the aims and objects of the organization as outlined by leaders in each of the two fraternal bodies, and named in the principal address of the evening by Edwin Root, formerly United States secretary of state and a resident of Clinton, near here.

Mr. Root expressed the belief that by having a membership drawn equally from the Protestant and Catholic faiths, the organization had gone a long way toward ultimate success.

HOOPER WOULD HAVE RADIO CASTERS TO FORM ASSOCIATION

Would Organize National System Of Programs He Says

WASHINGTON, Oct. 6. (AP)—Organization of a national system of radio programs thru a radio casters' association to give service as uniform as possible was suggested by Secretary Hoover in an address opening the third national Radio Conference.

The conference is attended by representatives of all branches of the industry and was called by Mr. Hoover to consider the numerous problems of radio development in the United States. The general sessions will be open to the public for presentation of any problem involving the industry.

The address tonight was radio-cast thru a system of 18 radio stations.

In presenting his views, tonight, Secretary Hoover reiterated his opposition to any attempt to monopolize the air, declaring that local radio-casting stations are of first importance and must not be driven from the field.

The secretary's suggested plan for a national program association would provide for a self-sustaining system of inter-connected radio broadcasting stations, and the offering thru those stations of the best of the nation in music and entertainment.

"My proposition," Mr. Hoover said, "is that the local stations must be able to bring to their listeners every important national event with regularity. A national station must be able to bring to its listeners the greatest music and entertainment of the nation, but far beyond this it must be able to deliver important pronouncements of public men, it must bring instantly to our people a hundred and one matters of national interest. To this it must add matters of local interest. This can only be accomplished by regularly scheduled interconnection of a national band with nationally organized and directed program for some part of the day in supplement to more local material."

OIL NOT MENTIONED IN REPORT OF JURY

WASHINGTON, Oct. 6.—The third federal grand jury to delve into the leasing of naval oil reserves finished its work today without mentioning the oil question in its report. Albert B. Fall, Harry F. Sinclair, E. L. Doheny and E. L. Doheny Jr. were called by the first grand jury to consider the case, but a second jury was halted when Fall's attorneys, charging it was merely a "fishing expedition" for additional evidence, complained that certain persons were in the grand jury room illegally.

The present grand jury then heard witnesses, but no mention of their testimony was made upon adjournment. Under the law the government may present evidence to still another jury if it deems it advisable.

SENATOR WHEELER ATTACKS SECRETARY WORK AGAIN

Seattle, Wash., Oct. 6.—In a campaign speech to a Seattle audience tonight, Senator Wheeler, independent vice-presidential candidate charged that there had been, with interior Secretary Work's approval, "a secret contract entered into between J. P. Morgan's Alaska Steamship company on the one hand and the government-owned Alaska railroad on the other" which fixed divisions of freight rates between the two concerns on joint shipments.

Mrs. Carl Erickson of Virginia spent Monday in the city.

OPEN CAMPAIGN YESTERDAY FOR GULF WATERWAY

Carrollton Congress- man Addressed Chi- cago Meeting

CHICAGO, Oct. 6. (AP)—Concentrated action of several Mississippi Valley cities leading toward a Lake-to-Gulf Waterway was initiated here tonight. Municipal and state officials and industrial representatives from the entire valley attended a banquet given by former Mayor William Hale Thompson, who is sponsoring the waterway movement from the Chicago end.

Among the more prominent speakers were United States Senator Joseph R. Randall of Louisiana, and Mayor M. M. Stephens of St. Louis.

Congressman William E. Hall of Peoria, Ill., described the inland water traffic as "transportation which would reduce the freight rates to the farmer and to the manufacturer and which would give the central west the same opportunity on freight rates that the Atlantic and Pacific are now enjoying because of the Panama Canal."

Congressman Henry T. Rainey of Carrollton, Ill., advocated the adoption of a waterway program "that will at once protect the farmers of the Illinois Valley against sewage from Chicago, and give the country a great highway for transportation."

St. Louis was represented by Mayor Stephens, Commissioner Paul M. Murray, Commissioner of Bridges Ralph Cook, Charles Rogers, president of the Chamber of Commerce and two score other delegates.

Other cities which had delegates in attendance included, Alton, Morris, Dwight, Herrin, Joliet and Waukegan, Illinois.

The assembled waterway advocates will attend several business sessions of various committees here tomorrow.

JOHN DAVIS MAKES SPEECH IN ALBANY

ALBANY, N. Y., Oct. 6.—Launching a general attack on the Coolidge administration on questions of foreign policy, tariff legislation, sectional findings and maintaining secretary of the navy William by name for the first time since he was recalled to Washington from the west coast, John W. Davis, Democratic nominee for president tonight brought his campaign into the New York capital as the guest of Governor Alfred E. Smith and delivered his second address of the day in the senate chamber. In the first speech at Schuylkill, and later in Albany, Mr. Davis took occasion also to appeal for the success of the state ticket in November his preference to Governor George R. Lunn, always provoking applause.

In his reference to the foreign policy questions, Mr. Davis said he could see only two courses open to this country. One was to arm the nation to the hilt where it need not fear aggression even from the United States of other powers, and the second was to meet all other powers in conference and build up understandings which would make future aggression impossible. He pointed out the refusal of the Washington government to attend the Geneva conference called by the league of nations to consider questions of abolishing war, of arbitration, of reduction in armaments and the codification of international laws.

PUBLISHERS SUBMIT THEIR RADIO VIEWS

WASHINGTON, Oct. 6.—Recommendations, embodying the views of newspaper publishers, radio-casters, were submitted to the national radio conference here today after a meeting called by the radio committee of the American Newspaper Publishers' association.

Its resolutions committee opposed removing present restrictions on the power of stations; pledged co-operation in the radio-casting of events of national importance, as suggested by Secretary Hoover, expressed its belief that listeners are "opposed to any form of direct advertising by radio"; and agreed that the department of commerce be vested with authority to compel stations to eliminate all "harmonic transmissions and to maintain in constant use a frequency indicator approved by the bureau of standards."

The committee pledged the publisher-radio-caster to a program of education, "to instruct the listener in order to avoid unnecessary interference caused by certain receiving sets," and for the benefit of future radio-casting development recommended that "at least ten percent of the wave lengths below 150 meters be set aside for special use by radio-casting stations."

STATE REPUBLICANS START CAMPAIGN IN SOUTHERN ILLINOIS

Candidates On Speaking Tour Beginning In Har- risburg, Illinois

CARBONDALE, Ill., Oct. 6.—Illinois Republican state candidates ended the first day of their campaign tour this morning in this town. A noon meeting was addressed by Governor Len Small, who spoke of good roads and outlined his road plans for the future. After the meeting the candidates, accompanied by Frank L. Smith, chairman of the Illinois conservative committee, and R. H. and Yates, candidates for reelection as congressmen at large, left for Puckettville, where they were scheduled to address another noon meeting.

In evening they would reach Hannibal, Mo., where they would spend the night. Tomorrow they would reach St. Louis, where they would spend the night. The candidates have been making a speaking tour of the state since they were elected to office last year. They have been making a speaking tour of the state since they were elected to office last year.

HARRISBURG, Ill., Oct. 6.—Illinois Republicans officially opened today their 1924 campaign here with the first of a series of meetings arranged for all congressional districts in the state. Business virtually was suspended for the occasion.

Governor Len Small was the headline on today's program here. He was accompanied by all state candidates, former Governor Charles S. Deneen, United States senatorial nominee and Congressman Richard Yates, Harry R. Rathbone and T. S. Williams.

A band met early trains and led a parade to a hotel where an informal reception was held through the morning. A dinner was served at noon to 200 visitors at the Christian church.

The speaking followed. All candidates planned to travel the remainder of the week by motor car, going to Carbondale tonight, Centralia and East St. Louis Tuesday, Springfield and Champaign Wednesday, Bloomington and Peoria Thursday, Galesburg and Sterling Friday, and DeKalb and Geneva, Saturday.

In addition to the governor the state candidates in the party were Fred E. Sterling, candidate for reelection as lieutenant governor; Louis L. Emmerson, candidate to succeed himself as secretary of state; Oscar Carlstrom, candidate for attorney general; Mrs. Anna Williams, widow of George A. Carr and Fred L. Wham, candidates for trustees of the University of Illinois.

Colonel Frank L. Smith, chairman of the state committee also was present. Mr. Smith was accompanied by William McKinley, who was to have been here was called back from Danville, it was announced.

REDMEN CONVENTION IN DANVILLE TODAY

DANVILLE, Ill., Oct. 6. (AP)—Practically all of the delegates have arrived in Danville for the Great Council of Illinois Redmen convention tomorrow and Wednesday, and the biennial meeting of the Haymakers, Peonias and Grand Masters, auxiliary organizations.

Today was given over to registration, entertainment and arranging for the business sessions which begin tomorrow morning. Springfield appears to be the most popular candidate for next meeting place, altho Belleville is advocated by many delegates.

Benjamin Cook, Senior Sacramento of Duquoin will be advanced to the position of Great Sachem, and W. E. Vrain Junior Sacramento, of O'Fallon, will be advanced to Senior Sachem.

William S. Shultz, of Springfield, and James Wadsworth, Chicago, are active candidates for Junior Sachem, stopping tonight at the highest office. The Haymakers elected officers today headed by Alfred Manford, Westville and Mrs. Margaret Burton, Harrisburg, was elected great maid, leading the list of Maid Muller officers named.

BRYAN SAYS G. O. P. IS "DISORGANIZED"

Lincoln, Neb., Oct. 6.—Basing his statements upon a personal survey of conditions and reports from various localities, Governor Bryan, announced today that the Republican party was in such a "disorganized" state both in rural and urban districts in the middle west, that it was pulling away in favor of the Democrats and Independents, with the Democrats constantly gaining ground from both of the other tickets.

LAFOLETTE-WHEELER FORCES LOSE OF IN L.A.

Bates Route, La., Oct. 6.—The LaFollette-Wheeler forces lost their fight in the district court here tonight in mandamus proceedings in which it was sought to compel the Secretary of State, Bailey, to print the names of LaFollette electors on the ballots for the general election in November.

EIGHT JURORS SELECTED FOR LINCOLN CASE

Insanity Plea For Slayer Of Wife And Brother-in-Law

AURORA, Ill., Oct. 6. Eight of the 12 jurors who were selected on the jury of Warren J. Lincoln, for the slaying of his wife and brother, were selected today and placed their heads in a concrete block, for a moment, as a preliminary to their duty in the Kane county circuit court at Geneva, Ill.

Whether Lincoln is sane at this time must be decided before he is tried for the murders of his wife, Harvey Gammon and N. J. Aldrich of Aurora, who tried a motion picture in court supported by affidavits that the slayer is mentally unbalanced.

During the questioning of prospective jurors went on, Lincoln drew a verdict. He seemed to drink each time that the word "insane" was uttered and finally slumped in his chair, dazed. His son John explained that his father objected to an insanity defense.

"He tells me he is not insane," John said, "and that he doesn't want to be tried as to his mental competency. Just the other night he said, 'I am not insane now. I was at the moment. I saw red. Anyone would have. I want them to set me free or hang me. I don't want to go to an insane asylum. I would rather be dead.'"

Chief of Police Frank Smith held Lincoln in custody. Lincoln is insane and will not testify, he said, if he takes the stand.

"No sane man," he said, "would saw and quarter the bodies of his wife and her brother and place their heads in blocks of concrete he used afterward to support the porch he slept on."

Court will convene tomorrow at 10 a. m. and the selection of jurors will be resumed. It is expected that the jury will be obtained by night.

State's Attorney Charles Abbott of Kane county will contend that Lincoln was sane when the crime was committed and will ask for death penalty. It has been announced.

Dr. Ralph T. Hinton, superintendent of the state hospital for the insane at Elgin, Ill., will testify for the state.

"Lincoln has been constantly weeping since he confessed," said State's Attorney Abbott last night. "That shows remorse such as no insane person would have."

Dr. H. S. Hulbert, one of the authors of the now famous report on the mental condition of Nathan Leopold Jr. and Richard Loeb who confessed the kidnaping and murder of Robert Frank in Chicago and were sentenced to prison for life, will testify for the defense.

The disappearance of Lincoln, his wife and her brother in April 1923, led to the impressions that Lincoln himself had been murdered. The Lincoln family on the Old Indian Trail, north of Aurora presented indications of a crime. Later Lincoln happened and said his wife and her brother had kidnapped and burned him. Later he disappeared a second time. Let us to relatives, stand with his wife, name and reputation memory was the first in Chicago and subsequently, he confessed the double murder and finally led officers to a dump where he identified a cement block which when broken disclosed the heads of his victims.

STRIKING WOMEN AND JERSEY POLICE FIGHT

FATKINSON, N. J., Oct. 6. (AP)—Refused permission to meet in town hall tonight 2,000 striking silk workers led by two young women, sisters, waving American flags, marched to the City Hall and engaged in a battle with squads of police officers when ordered to disperse. A score of men were injured and thirteen arrested were made.

LAST TIME TODAY!

A picture which achieves a different appeal for every type of the audience, welding them all into a consistent narrative. There is a red-blooded adventure for those who crave only this sort of entertainment. This is apparent from the title, which divides the use of the Coast Fire Patrol for the first time in pictures. Developing from this novelty is a terrific explosion at sea and later a fire to which the fireboats respond in a frenzy of activity. The departure of this valiant little fleet, its picturesque subduing of the fire in mid-ocean, as the flames, after a long and fight against the towering waves piled upon them, and its return with the survivors of the wreck, from a terrible lot of drama which never lowers its suspense. Equally as effective are the storm scenes which run through almost the entire picture, and which, in all their fury of lightning, thunder, and rain, are not merely incidental to the story, but symbolize the conflict of the human souls which it describes.

So far, it is only the new voters that have to prove their ability to read and write. Two years ago, when the voters were asked to vote on the question of whether or not to have a school system, the voters were asked to vote on the question of whether or not to have a school system.

Not only has the machinery of the school system been coordinated with the machinery of the city government, but the school system has been coordinated with the machinery of the city government.

LAUNCH SOCIAL SERVICE LEAGUE CAMPAIGN

Plans Completed Last Night for Campaign for \$3,000 Which Begins Today.

At a well attended meeting held last night by those deeply interested in the success of Social Service League work in the city, final plans were made for launching the campaign to raise \$3,000 which is necessary to carry on the next year's work.

The meeting followed a six o'clock dinner held at the Peacock Inn.

Rev. G. E. Stickney presided at the meeting and a number of members present discussed plans for the campaign.

Dr. Grace Deacy outlined a plan for the campaign and Miss Eva Veirs gave a talk on the work that has been accomplished by the league.

A statistical report was given, dating from October 1, 1923 to October 1, 1924, as follows:

Visits to families 1643
Visits to children 1143
Office (applicants) 1478
Office (consultants) 586
Telephones 4609
Letters in 424
Letters out 528

Storeroom: Garments given 1328
Pairs of shoes 59
Articles of bedding 13
Miscellaneous household articles 59

The campaign will begin today and these in charge expect to finish the work of raising the fund within the week.

Those in charge of the campaign as solicitors are as follows:

Mrs. J. W. Brown, Mrs. Lloyd Brown, Mrs. Walter Bellatti, Miss Ruth Bailey, Mrs. W. T. Capps, Miss Minnie Coley, Mrs. Henry Capps, J. H. Dial, A. T. Capps, Mrs. W. D. Doying, Mrs. L. S. LAST TIME TODAY!

A picture which achieves a different appeal for every type of the audience, welding them all into a consistent narrative. There is a red-blooded adventure for those who crave only this sort of entertainment. This is apparent from the title, which divides the use of the Coast Fire Patrol for the first time in pictures. Developing from this novelty is a terrific explosion at sea and later a fire to which the fireboats respond in a frenzy of activity. The departure of this valiant little fleet, its picturesque subduing of the fire in mid-ocean, as the flames, after a long and fight against the towering waves piled upon them, and its return with the survivors of the wreck, from a terrible lot of drama which never lowers its suspense. Equally as effective are the storm scenes which run through almost the entire picture, and which, in all their fury of lightning, thunder, and rain, are not merely incidental to the story, but symbolize the conflict of the human souls which it describes.

PLEASANT AFFAIR
AT ASHLAND HOMEMr. and Mrs. John J. Newell En-
ertain Children and Grandchild-
ren—Other Ashland Notes

Ashland, Oct. 6.—Mr. and Mrs. John J. Newell very delightfully entertained their children and grandchildren at their home here Sunday, Oct. 5th, the occasion being the 67th birthday anniversary of Mrs. Newell. At noon a beautiful dinner was served. In the center of the table was a handsome birthday cake, lighted with 67 candles, which was baked by Mrs. May Newell and Mrs. Dorcas Newell, daughters-in-law of Mrs. Newell. The affair was indeed a pleasant one and much enjoyed by all present.

Mrs. Newell was the recipient of a number of beautiful gifts. Elder L. P. Harris of Duquoin, Ill., filled his regular appointment at Yaleville church, at Ashland, and Sunday.

John Nix attended the annual Old School meeting at Duquoin, Ill., Sunday.

Hubert Lacey and Miss Josephine Lacey, of Ashland, R. R. No. 1, were married at Springfield, Mo., Sunday.

Mrs. Joe Bowers was a Sunday guest at Mrs. A. Bowers of Jacksonville.

2 YEARS TROUBLE
ENTIRELY GONESays Mrs. Hines In Telling
Her Experience With
Tanlac.

While on a recent visit to relatives in Louisville, Ky., Mrs. H. C. Hines, 1141 S. Keystone Ave., Indianapolis, Ind., gave the following interesting statement regarding her experience with Tanlac:

"Two years of nervous indigestion had broken me so completely down that I was unable to even walk on the stairs. I got to where life was almost unbearable and every effort I made to regain my health ended in disappointment."

"But just when things looked darkest, when I felt that I would never be well again, I began taking Tanlac, which at that time was new on the market, and I found it indeed remarkable. After about 8 weeks of the treatment I felt like a woman made over, not like I had any of the old stomach and nerve troubles since. If I should need medicine again I would certainly take Tanlac."

Tanlac is for sale by all good druggists. Accept no substitute. Over 10 million bottles sold.

Tanlac Vegetable Pills recommended by the manufacturers of TANLAC.

MANY ATTEND HOMECOMING SERVICE

Annual Home Coming Service at
Central Christian Church Sunday
Brought Together Large
Assemblage.

The annual home coming service of Central Christian church was the occasion Sunday of a large gathering of the members and friends of the church. At the morning service a telegram was read from Mrs. P. W. Burnham, asking a pledge of \$100 toward the jubilee offering for the Cleveland convention October 14 and 15th, and during the day a sufficient fund was raised to meet the church's apportionment for this purpose.

Special music at the morning service included numbers by Mrs. Alice Moncrieff, "He Shall Feed His Flock" (From The Messiah); "A Garden is a Lonesome Thing," and "A Song of Thanksgiving" by Allitton.

At the noon hour a basket dinner was served in the basement at which there were more than 200 present. With Rev. M. L. Pontius, presiding, and a brief program was carried out.

Talks were made by B. O. Roodhouse, Fred Hoskins, Mrs. M. L. Pontius, C. L. Mathis, Mrs. T. H. Stogard, Miss Eleanor Thompson, Miss Pearl Jewbury, Mrs. G. R. Scott, Miss Grace Van Houten, Wellington Hattaker, and Rev. Homer Turner of Minier, Ill.

During the home coming service Sunday evening Mr. Pontius welcomed the special guests, those couples who have married during the past ten years. The test was taken from Proverbs 7-20, "Come Home," He said:

"The word home is found more than fifty times in the Bible. This is significant, for in many of the religious books of the world you will not find the word home. In many a language spoken by man today there is not a word that may be translated home."

"The Christian religion was born in the home. Christianity is the religion of the fireside. For several centuries at the beginning of the Christian era no church edifices were built. The church was organized and fostered in the home."

"What is the basic institution in modern civilization? One replies, Industry. Industry transforms and refines raw materials until they become luxuries and necessities in our modern civilization. Without industry civilization would be impossible."

"After this he said that the basic institution in modern civilization is transportation. Raw materials must be carried from place to place and finished products must be distributed to another. Without transportation we would not have industry."

"Another will say that the basic institution in modern civilization is the school. Without knowledge the people perish. The common school is the hope of our country. In the school the child learns to become less dependent and moves toward the goal of independent thought and action."

"One will say that the basic institution in modern civilization is the church. Man is by nature rebellious. Man cannot get along without God. The church is the only institution that makes seriously to bring man into a satisfying relationship with God."

Basic Institution.
"After all the basic institution in our modern civilization is the home. It is older than the church. It is fundamental in our life. Destroy the home and you destroy the church, the school, transportation and industry. The home safeguards all factors in our civilization and assists the church in its divine function."

Individual destiny is determined largely by the first twelve years in the home.

"Many here thank God for the memory and character-shaping influence of a Christian home in which there was a family altar and where the name of God and Christ were spoken reverently and the Bible recognized as a sacred book."

The God-less Home.
"The most detrimental influence in our modern civilization is the God-less home. Use some of your time and energy and money in making your home attractive. It should be more than a place of abode. The home should be a Bethel, a house of God."

"Something is influencing your child. Is it your home or the den of vice? Someone is influencing your child in creating his ideals. Are you exercising that sacred influence or does it come from evil companions?"

"Make your home attractive to the boy or girl. So far as possible make it their social center. Rear a family altar. Create an atmosphere of prayer in the home. Then your children will honor you, they will live wholesome lives and when you are gone they will continue to call you blessed."

At this service there were special musical features, including a quartet number, "Hark, Hark My Soul," by Mrs. Moncrieff and Mrs. Gregory. There were also two quartet numbers, "Praise The Lord," and "Come Unto Me," by a quartet composed of Mrs. Moncrieff, Mrs. Gregory, Mr. Hedge and Mr. Peckham.

Miss Alice Mathis at the pipe organ gave the following numbers during the day:

Morning:
Festival Prelude, Stanley T. Reiff
The Angels, Gatty Sellers
Offertoire in G, Gaffey-Wely

Evening:
Prelude, Dubois
A Cloister Scene, Mason
In the Twilight, Harker
Marche Champete, Boex

REV. R. H. HACKLEY IS RETURNED TO BETHEL

Will Continue as Pastor of Local
Colored Methodist Church—
Conference Will Meet Here Next
Year

Rev. R. H. Hackley has been returned to the pastorate of Bethel A. M. E. church by the 3rd annual conference which has just closed its sessions at St. Luke's church in East St. Louis. Rev. Mr. Hackley and his wife returned to Jacksonville last night.

The conference chose this city as the next for holding the conference and the sessions may bring many visitors here. The pastor of St. Luke's church is Rev. J. M. Hamed and he and the members of his church gave a most cordial welcome to the delegates in attendance.

Bishop W. D. Vernon presided during the conference. He is a man of wide training and education and for 10 years held the position of registrar of the U. S. treasury during the Roosevelt administration. Much had a large place in the program of the conference, which was accounted one of the most important and helpful in the history of the church.

The report presented by Rev. Mr. Hackley was a complimented by the bishop and the Jacksonville man served on several important committees and took part in the program on education evening.

Mr. and Mrs. A. H. Bartolomeo and north of town spent the week-end in Peoria visiting their son, Leland, a Chapin high school graduate now attending Bradley.

Miss Frances Brooks, teacher of Domestic Art at the high school, spent the week-end at her home in Peoria.

John, son of the high school faculty spent the week-end at her home in Quincy.

Bert Carl and sister, Miss Ruth, Carl of Decatur spent Sunday at the home of Mr. and Mrs. L. H. Callaway. They were accompanied home by Miss Nelly Callaway R. M., who will resume her work after a three week's vacation spent at the home of her parents.

Mr. and Mrs. Frank Callaway spent Sunday at the L. H. Callaway home.

Mr. and Mrs. Fred May and daughter, Ruth Annette, and Anna Caroline and Miss Lillian McCallough of the David Prince family, all of Jacksonville, visited their cousin, the L. H. Callaway family Sunday.

E. E. Sides was a visitor at Clayton Sunday.

Mr. and Mrs. Harris Robertson and daughter Helen Lucille came over from Jacksonville and spent Sunday with Mr. and Mrs. J. Z. Fox.

AGED WHITE HALL WOMAN IS BURIED

Remains of Mrs. Julia Ann Benear Laid to Rest Sunday Afternoon—Other White Hall News.

White Hall, Oct. 6.—Funeral services over the remains of Mrs. Julia Ann Benear, White Hall's oldest resident and native pioneer, were held Sunday afternoon in the home on South Main street, the discourse being delivered by Rev. George M. Hayes, pastor of

the M. E. church, with which church she had been identified for more than seventy years. She was the widow of William H. Benear.

Mrs. Benear was the last of that prominent pioneer family of Lorton's that settled and developed the neighborhood known as Lorton's Prairie, three miles southeast of White Hall. She was the youngest daughter of Thomas and Francis Nance Lorton, and was born on the old Lorton homestead, April 8, 1832, having resided in this vicinity all her long, eventful life of more than four score and ten years.

On December 21, 1854, she and William H. Benear were married, and to this union were born six children of whom the survivors are Ida, wife of H. C. Williamson, and Nina, wife of R. L. Davis, of Lorton's Prairie, and Edward Benear of White Hall. There are fifteen grand children and eight great grand children. On December 21, 1904, she and Mr. Benear celebrated their fiftieth wedding anniversary at their home here in White Hall.

Shortly after their retirement from the farm, Mr. Benear passed away January 30, 1914, aged a little past 87 years.

Mrs. Benear retained good health and the use of her faculties until a fatal illness overtook her a few days before her death just before midnight last Friday.

Funeral services were held in the White Hall cemetery.

Advice from Grand Junction, Colorado, announces that Mrs. T. L. Smith had passed away at the home of her daughter there. The remains will be brought to White Hall, arriving Wednesday, and funeral services will be held in the home of R. S. Worcester that afternoon under Episcopal auspices. Burial will be in the White Hall cemetery. The husband and three children survive.

A son, Eugene, being located at Grainfield, Kansas, home of the parents for a number of years. One daughter, Florence, is secretary to the dean of the Illinois Agricultural college at Urbana.

The deceased was a daughter of the late James Gregory, a man greatly revered by those who held acquaintance with him. The only surviving members of the James Gregory family is Mrs. W. S. Carson, of White Hall, sister of the deceased. The age of the deceased was about 66 years.

George W. Whiteaker, at one time a school teacher in Jersey county and for a long period of years engaged in the real estate business at Kearney, Nebraska, died in his home in White Hall at 1 o'clock Sunday afternoon. He had been in a helpless condition for twelve years following a stroke of paralysis in 1912, and came to White Hall in 1918. For more than a year his condition has been such as to require constant care.

Mr. Whiteaker was a native of Elco, Illinois, and for twelve years following his 21st birthday he was engaged in teaching in Jersey county, having taught at Fidelity and Jerseyville. He then engaged in the real estate business at Kearney, Nebraska. He was three times married, all his wives being from White Hall. His first wife was Electa Floyd, sister of P. E. Floyd, and by this union there is a daughter, Mrs. Eugene Sheward, residing in St. Louis, whose husband is connected with the St. Louis Times. The second wife was Sylvia Griswold, sister of Seth N. Griswold. The third wife survived, her maiden name being Emma Dickson, and they were married in 1891. The deceased was a 32nd degree Mason and a member of the M. E. church.

Funeral services were conducted at 2:30 Tuesday afternoon in the home at the corner of Bridgeport and Carroll streets. The discourse was delivered by Rev. George M. Hayes, pastor of the First M. E. church of White Hall. Burial was in the White Hall cemetery.

Grace Church Doings

It was Missionary Day in the Sunday school and Mrs. Alice Applebee in a very informal manner told of the work done in the Methodist Memorial in France, that it was her privilege to look in for about six months during the spring and summer. The time allotted was all too short so interesting was the presentation. Those present in the Sunday school and the Missionary Office amounted to \$216.41.

At 10:15 the regular quarterly communion was observed in a very impressive manner.

The Intermediate and Senior League met at their usual time with very interesting meetings.

At 7:30 the pastor began a series of talks, looking for his theme, the subject being "The Power of the Holy Spirit." A happy hour was held at the home of one of the members.

The Ladies' Aid will hold their regular meeting at the home of Mrs. W. H. Gohlen Monday afternoon at 4:15.

The church choir will hold their regular monthly meeting Monday evening at 7:30 with Mrs. A. G. Gohlen.

The church will hold their regular service of prayer Wednesday evening to which all are invited.

Sunday, October 12th the Every Member Canvass will be held. In preparation for this service a complimentary luncheon will be held for the men of the church Friday evening at 6 o'clock. All men are invited to attend if they are not one of the members.

The music in all the services, instrumental and vocal was very appreciable.

ATTENTION G. A. R. Members of Matt Starr post are requested to assemble at the church at 1:30 p. m. today. Cars will be there to convey them to the parade.

Parties wanting Jonathan apples can get them for the next few days at the Wallace Orchard, near Bethel, Illinois.

CLUB WILL MEET The Mound Woman's club will hold a meeting Thursday afternoon with Mrs. R. G. Vasey as hostess. Mrs. W. S. Jones, Mrs. Fred Tondick and Mrs. F. W. Benson will be assistant hostesses. Members are requested to bring their dues with them.

Giants Win 6 to 4 In Third Game Of Series

Senators Staged Thrilling Rally In Final Inning

WASHINGTON, Oct. 6. (AP)—The Senators staged a new battle in the great crowd packed to the top of the stadium for the fourth game of the series, which was a triumph of six to four for the home team in the final play in the ninth inning when the Senators defeated the Giants 6 to 4 in a thrilling finish.

The Senators' victory was a result of a brilliant defensive play by the home team in the ninth inning. The Giants' lead was 4 to 3 in the eighth inning, but the Senators rallied in the ninth to win the game.

WHITE SOX REMAIN CHICAGO CHAMPIONS

Title Won Last Year by American League Nine Retained by Defeating National League Nine by Score of 5 to 3.

CHICAGO, Oct. 6. (AP)—The White Sox remain Chicago Champions even if they did finish last in the 1924 American League race, having lost to the Cubs today 5 to 3, the American League championed by Johnny Evers, retained their city title re-won last year from the National League after a lapse of 12 months.

It was the sixth game of the series, the Cubs having captured the first and fifth contests solely on the pitching of Grover Alexander, in all the other contests the Sox pitching and attack were superior.

Hollis Thurston and Ted Lyons hurled the Sox to victory today. Thurston was swept aside in the seventh inning which fell a single run short of tying the score and Lyons came on to wind up the first.

Joe Aldridge, Elmer Jacobs, Tony Kaufmann and John Blake pitched for the Sox.

The Sox went after Aldridge in the first inning, Mostil's double and two infield outs putting home over for a lone tally. In the third, Mostil doubled again. Hooper doubled, Collins rolled out. Shelly doubled and after Park had filed out Kamm tripled giving the Sox four runs. Jacobs followed Aldridge and got Barrett to end the inning. Kaufmann took the slab for the Sox to start the fifth after a pinch hitter had performed for Jacobs in the Sox's fifth. Miller hit for Kaufmann in the Sox's seventh inning attack and Blake then took up the hurling burden. The Sox gained their last run in the eighth off Blake on a pass to Collins, two infield outs and a single by Willie Kamm.

Hollis Thurston got by great for six innings. The Sox got a single run off him in the third on three singles but in the seventh three singles and an error by W. Barrett gave the Sox two runs, only one shy of a tie and Thurston was taken out to let Lyons finish up.

NOTES FROM BIG TEN TRAINING CAMPS

Minneapolis, Minn. — Coach Bill Spaulding gave vent to his disappointment at the low score by which the Gophers defeated North Dakota in their first practice game here Saturday by putting into effect his threatened shakeup. Three regulars, Swambeck, Aschmer and Peterson were dislodged from the first team.

Columbus, O. — No scrimmage was held today by the Ohio State gridder who are tuning up for their game at Iowa next Saturday. Forward passing was the main issue today.

Madison, Wis. — Absolute secrecy prevailed tonight at the Wisconsin football practice. Coach Ryan, excluding all spectators including newspapermen, the team was put thru signal practice and work on the dummies, it was reported.

Ann Arbor, Mich. — Heartened by Michigan's showing against Miami Saturday, Coach George Little today concentrated his efforts toward preparation for the hard battle expected next Saturday with the Michigan Aztecs. The chief fault found with the Wolverine Saturday was a lack of team work which Little hopes this week to remedy.

Chicago — The Maroon regulars listened to a long lecture from Coach Stagg today in place of the usual practice.

In the old scrimmage of the afternoon the second string men were sent in against the yearling line up.

Iowa City, Iowa — Coach Ingersoll took his charges thru a long practice today pointing the regulars towards an offensive with which it is hoped to defeat Ohio State Saturday.

Evansston, Ill. — A skull session marked the day's practice of the Northwestern regulars, while the second string team mixed it with the freshmen. In his talk to the varsity Coach Thistlethwaite stressed the importance of perfecting the signals for Saturday's clash with the University of Cincinnati.

IRBANA, Ill., Oct. 6. — Tackling and blocking featured the evening practice on Illinois Field after the poor showing of the Illinois line against Nebraska Saturday. Shively, 210 pound guard from last year's freshman team, featured in the only indication of a shakeup when he was moved to the second team and Stimmer, veteran, was placed at his guard.

Captain Rokusek is on the sidelines with a pulled tendon but will be able to practice by the middle of the week. He is the only squad member suffering from the Nebraska game.

Little improvement was shown by the line today with the second team line coupled with the third string backs gaining four and five yards on every effort.

Forward passing again came in for a great portion of the practice time with Red Grange doing most of the passing and Britton and Kessel on the receiving end.

Dancy, sophomore, after a rest period caused by an injury to his knee in the open tussle against the freshmen.

GIVES BOND
 Harry Wilson yesterday gave bond for appearance in the county court at the January term, on an illegal possession of liquor charge.

WAVERLY TAKES GAME FROM LOCAL NINE 1-0

Visitors Administer Shutout in Close Contest Sunday Afternoon

In one of the closest and hardest fought contests played on the Jones Park this season, Waverly defeated a nine composed of Indians and other local players Sunday afternoon by the score of 1 to 0.

Only four Indians were in uniform for the game. Lowder, Ruble, DeFrates and Christopher and of these four, Lowder was the only one who played his regular position. Ruble played second base, DeFrates held down the first base and Christopher worked behind the plate.

Both teams played well, putting up a good brand of baseball for the 200 fans who had gathered to watch the affair. The small score indicates that both pitchers were working well, although both were given real support in the pinches, none of the errors made by either team contributing toward a run.

Lowder, pitching for the locals had a slight advantage over Geno for the visitors, he having struck out six Waverly men and allowed but four hits, while the Waverly hurler had but three strike outs to his credit, and allowed six hits. Lowder walked two men, and Geno walked one and hit one.

The run which gave Waverly the victory came in the first inning on Drobneck's two base hit, a sacrifice by Elliott and a hit by File. After this inning the Waverly batsmen never had a look in for a tally.

The local team spoiled several good chances to score by poor base running. A number of times they reached third only to throw their chances by poor judgment in running the bases.

DeFrates was the leading stickler for Jacksonville connecting for two two base hits. He also played a good game at first. Burkery played shortstop for the locals also showed up well both on the diamond and at bat. Altogether the local team displayed more pep and fight than has been true of a Jacksonville team for several weeks, with Manager Christopher instilling a spirit of fight into his mates from the catcher's position.

Drobneck was Waverly's star player, grabbing hard hit balls at short that looked like hits. File also had a good day at first accepting 15 chances with but one error.

A box score of the battle follows:
 Waverly: AB R H A O E
 Harris, lf 3 0 0 1 3 0
 Drobneck, ss 3 1 1 3 0 0
 Elliott, c 3 0 1 3 0 0

 Summary: Stolen bases, File, DeFrates, 2; Sacrifice hits, Elliott and Lowder; Two base hits, Burkery, Drobneck and DeFrates, 2; Hit by pitcher, Henderson; Base on balls, off Lowder, 1; off Geno, 2. Double plays, Geno to Jarrett, Ruble to Burkery to DeFrates. Umpire Burl May.

Market Report

By The
Associated
Press

CHICAGO WHEAT TWO CENTS UP AT CLOSE

CHICAGO, Oct. 6.—There was
a fairly good demand for cash
wheat here today. The market
finished with a gain of 2c and
earlier had sold as much as three
cents better. Premiums and dis-
counts were unchanged. Ship-
ping sales here were 75,000 bush-
els of which 60,000 were to be ex-
ported. Lake vessel room was
chartered for 250,000 bushels of
wheat to Montreal at 10c. New
York estimated between 4,000,
000 and 5,000,000 bushels of
wheat was worked for export in
all positions.

Corn met with a good demand.
Prices were unchanged to 1c bet-
ter but later the market weak-
ened, the close showing a loss of 1
@ 1 1/2c compared with Satur-
day's finish. The trading basis
was unchanged to 1c better.
Shipping sales here were 50,000
bushels, and there were sales of
100,000 bushels to go to store.
Deliveries were 67,000 bushels.

Oats sold 3 @ 1/2c better early.
However, the close was 1 @ 1/2c
lower. The trading basis was un-
changed to 1/2c better. Shipping
sales here were 50,000 bushels.
October deliveries were 5,000
bushels.

Cash inspected—Wheat 28 1/2;
Corn 41 1/2; Oats 34 0.

BREADSTUFFS SOAR TO NEW TOP PRICE

CHICAGO, Oct. 6.—Violent ad-
vances in the price of wheat and
rye today were followed by a quick
reaction chiefly the result of sud-
den wholesale profit-taking. When
the day was ended however, the
principal outstanding factor was
that breadstuffs had again out-
done all recent quotations and
that export demand had shown a
slight rise beyond the ordinary
limit.

After running up as much as
4 1/2c a bushel above Saturday's
finish, the active future deliv-
eries of wheat closed today at 2c
to 1 1/2c net gain, Dec. 1.49 1/2
to 1.49 1/2; and May 1.53 1/2 to 1.54.
Great Britain, France, Italy and
the Scandinavian countries were
the principal sources of the en-
ergetic buying of wheat and rye to-
day that swept the markets here
widely upward until counter ef-
forts to realize profits took effect.
Meanwhile, advices at hand sug-
gested that most of the threshing
of wheat this season in the United
States is finished, and that the
biggest part of the domestic
movement of wheat from the
west.

Domestic wheat was manifest
here as to the probable size of
the Canadian crop movement. An
estimate today by a Chicago au-
thority indicated that 4,000,000
bushels less yield in Canada this
season than had been figured a
month ago.

SALE OF HOUSE FROCKS

BEGINNING TOMORROW

That Surpasses All

Styles

INCLUDED in this assortment of House Frocks are styles and sizes for young maids, comely matrons and stout women.

¶ The style assortment is so complete that any woman regardless of her taste, can find just the type model best suited to her.

¶ Each one of the House Frocks is a masterpiece in both workmanship and design. Their finish and smart design are the acme of perfection.

Materials

ALL the House Frocks are fashioned of Amoskeag ginghams and Scout percales in guaranteed fast colors.

¶ There are hundreds of pretty new patterns now so much in the limelight of fashion.

¶ All women are familiar with the well-known fabrics found in these garments. They enjoy a firmly established reputation for colors that are sun fast and tub fast.

A House Frock Sensation No Woman Can Afford to Miss

Newest Fashions

IN every one of these graceful House Frocks you will find an irresistible style—smarter and more advanced than those you ordinarily see.

¶ All the smart models are extremely well cut House Frocks in dignified treatments especially designed for the women's figure. They are the low-waisted, straight-line styles so much in vogue.

¶ Stout women will find specially designed slenderizing models.

¶ These House Frocks possess every feature that the most particular woman could ask for in cut and finish.

Trimmings are most desirable. Different applications of dainty piques, organdies, ric-rac and combination pipings in harmonizing and contrasting colors give distinction to the models. Unusual sleeves and large novel pockets increase the beauty and charm of styles.

\$1

Carefully Tailored

THESE House Frocks are not merely sewed but are carefully tailored and have the same finish you insist on having in selecting your street apparel.

¶ Natural sloping shaped shoulders fashioned to show natural contour of shoulders—comfortable well fitting sleeves—new style extension cuffs—perfect fitting collar—desirable neckline—felled seams—full length sash in fashionable width. And liberal wide hems.

¶ Gathered at front and back—joined at waist—and shirred at hips—creating a most perfect fit.

¶ Carefully designed to insure maximum style, comfort and service.
